

Energy, Telecommunications and Water Law Update - 2015

This program is Co-Sponsored by the Public Utilities Section

Friday, February 27, 2015 from 9:00AM-2:00PM

Pyle Center, Room 235

Program Description: An update of notable regulatory and legal cases, statuses, and administrative code provisions impacting practitioners in the energy, telecommunications and water arena in the year 2014.

Who Should Attend: Those interested in PSCW activities, energy and telecommunications law attorneys, water attorneys, municipal attorneys, and environmental attorneys.

Key Takeaways: Gain understanding of key developments in energy, telecommunications and water regulation; Explore recent happenings in the Public Service Commission of Wisconsin; Learn about changes in electric technologies and state reforms.
