

Wisconsin Public Utility Institute

Steve Kihm, Principal and Chief Economist, Seventhwave

Steve is Principal and Chief Economist at Seventhwave. Steve's background in public utility regulation and finance supports his technical and analytical work evaluating energy efficiency programs and developing, analyzing and critiquing policy initiatives. Steve is a published author; he's written articles for the *Energy Law Journal*, *The Electricity Journal* and *Public Utilities Fortnightly*, and he's written a children's book, *The Lost Candy Bar*. He is also a Chartered Financial Analyst. He has an MBA in Finance and M.S. in Quantitative Analysis from UW-Madison's Graduate School of Business.
