

Laura Schumacher **Moody's**

Laura Schumacher is a Vice President - Senior Credit Officer in the Global Infrastructure Finance Group. Laura joined Moody's in January 2004 and is currently responsible for a portfolio of electric and gas utilities and merchant generating companies. While at Moody's, Laura also had responsibility for the assignment of ratings and monitoring of various independent power projects and public power utilities. Prior to joining Moody's, Laura was a Vice President at Dresdner Kleinwort Wasserstein where she was responsible for credit monitoring for a portfolio of utility and project loans. Previously, Laura held various positions at The Prudential Insurance Company of America, primarily in its private placement groups, where she was mainly responsible for the origination and monitoring of electric utility and power project loans. Laura holds an M.B.A. in finance from New York University's Stern School of Business, and a B.S. in business administration from the University of Delaware, and is a Chartered Financial Analyst.
