Steve Nackers, Manager, Electronic Controls, Sub-Zero

Steve Nackers is the Manager of Electronic Controls, the Project Lead – Connected Appliances, with the Sub-Zero Group, a company with which he has enjoyed more than fifteen successful years. His career has spanned field support to product launch to R&D, and he

continues to be passionate about pursuit of trend and technology development that delivers meaningful value to customers. Steve has been a member of the Association of Home Appliance Manufacturers (AHAM) Smart Grid Task Force for more than 8 years and Chairman since 2014. He is a recipient of the AHAM Distinguished Service Award and the co-author of two AHAM whitepapers on Smart Appliances and the Smart Grid as well as author of industry communications standards. A UW-Madison College of Engineering Alumni and past Schoof's Prize runner-up and Tong Prototype Prize and Innovation Week winner, Steve is a proud Badger!
