

Sarah Mead
WEC Energy Group

Sarah Mead is the Manager of Gas Supply for WEC Energy Group. She has been employed in the natural gas industry for many years in a variety of positions in both the regulated utility and unregulated marketing areas. Sarah has extensive experience in forecasting, short and long term planning and the regulatory aspects of natural gas. In her current role as the Manager of Gas Supply, Sarah is responsible for

planning, acquiring and managing gas supplies and pipeline transportation services to ensure reliable and cost competitive natural gas service to customers. Additionally she serves on the Board of Directors for Service Credit Union.

Sarah holds a bachelor degree in Business Administration from the University of Wisconsin Milwaukee and a Master of Business Administration in Finance from Lakeland College.
