

**ARTHUR HARRINGTON**  
**Godfrey & Kahn, S.C.**

Art is a shareholder of the law firm Godfrey & Kahn, S.C., and a member of the firm's Environmental and Energy Strategies Practice Groups. He has worked on a broad range of energy projects including transmission, base load, solar, biogas, and biomass energy projects. He has the privileged to serve as co-chair for the Public Policy Committee of the Midwest Energy Research Consortium (M-WERC), and he teaches an energy law workshop at Marquette University Law School. On the personal side, his Milwaukee residence has a rooftop 4kw solar installation that utilizes a net metering program

offered by WE Energies. He received a degree in economics and his law degree from the University of Wisconsin.
