## **CHARLES WADE**

### **Wisconsin Department of Transportation**

Chuck Wade has been working in the transportation planning field for more than 20 years and is currently the Director, Bureau of Planning and Economic Development, at the Wisconsin Department of Transportation.

Previously he served as the bureau's planning chief.

Chuck's team within WisDOT is responsible for long-range planning, managing planning systems data, processing the State Transportation Improvement Program (STIP), and administering state and federal requirements for our

Metropolitan Planning Organizations (MPO) and Regional Planning Commissions (RPC). Chuck previously worked on corridor planning, access management, Intelligent Transportation Systems (ITS), and environmental documentation projects as a Wisconsin-based consultant. He graduated from the University of Wisconsin-Madison with a master of science degree in urban and regional planning and University of Wisconsin-Green Bay with a bachelors degree in environmental policy and planning. He is a Certified Transportation Planner (CTP) within the American Institute of Certified Planners (AICP).
