STEVE BEVERSDORF

Madison Gas and Electric Company

Steve Beversdorf is the manager of gas construction engineering at Madison Gas and Electric Company (MGE), an investor-owned electric and gas utility in Madison, Wisconsin, where he leads a team of engineers in the designing, building, and upkeep of MGE's natural gas system infrastructure. Steve has been with MGE for 14 years. Prior to joining the company, he worked for a utility contractor for 10 years, managing all types of utility construction projects throughout the Midwest. A graduate

of the University of Wisconsin-Madison, Steve holds a B.S in civil and environmental engineering, a B.S in construction administration, and a B.S. in environmental studies.
