ERINN MONROE-NYE

Focus on Energy - APTIM

Erinn Monroe-Nye works with APTIM as the director of Wisconsin's Focus on Energy program. She has worked in the renewable energy and energy efficiency industry for her entire career, building extensive experience in leadership, strategic planning, project management, and program evaluation and design. Prior to her role at Focus on Energy, Erinn worked in a number of roles

with utilities, non-profits, and market research firms. She has a master's degree in international public affairs and energy policy from the University of Wisconsin-Madison and a certificate in integrated strategic management from George Washington University. Erinn is also a Certified Energy Manager.
