

BARBARA KLUG

Wisconsin Department of Administration

Barbara Klug is the director of the Home Energy Plus Bureau of the Division of Energy, Housing and Community Resources (DEHCR) for the Wisconsin Department of Administration. She has been with DEHCR for the past 24 years. She manages a team of 25 professionals who are responsible for developing policies and procedures for the Weatherization Assistance Program (WAP), the Wisconsin Home Energy Assistance Program (WHEAP), the Low Income Household Water Assistance Program (LIHWAP) and Program Services. Prior to joining state service, Barbara worked at a non-profit agency managing the delivery of the WHEAP program in five Wisconsin counties.
