

BEN CALLAN

Wisconsin Department of Natural Resources

Ben Callan has been with the Wisconsin Department of Natural Resources since 1999 and currently serves as the chief of the integration services section in the Bureau of Environmental Analysis and Sustainability. In this position, Ben oversees some of the department's most complex and high-profile programs, managing a team of environmental experts that collaborates with the Public Service Commission of Wisconsin, the Federal Energy Regulatory Commission, and the Wisconsin Department of Transportation on critical energy and transportation infrastructure projects. Ben has more than 30 years of work experience in the sciences. He has a BS in zoology from the University of Wisconsin-Milwaukee and an MS in water resources management from the University of Wisconsin-Madison's Nelson Institute for Environmental Studies.
