

ZHENG ZHOU

Midcontinent Independent System Operator

Zheng Zhou is the senior manager of expansion planning for Midcontinent Independent System Operator's (MISO) north region. His primary responsibilities include producing an annual MISO transmission expansion plan as well as completing studies for various NERC/FERC compliance standards and ad-hoc transmission reliability planning work. During his tenure with MISO, he has filled multiple system planning roles. Zheng received

B.Sc. and M.Sc. degrees in electrical engineering from Tsinghua University, Beijing, China, and a Ph.D. in electrical power engineering from Iowa State University.
