JOHN CARR

Dairyland Power Cooperative

John Carr is vice president of strategic growth with Dairyland Power Cooperative. He leads Dairyland's resource planning division and oversees strategic load growth, mergers, and power supply acquisitions. Since joining Dairyland in 2008, he has served as Dairyland's vice president of power supply and vice president of strategic planning. Prior to joining Dairyland, John worked for Alliant Energy in various positions primarily related to MISO energy markets and fuel supply for power generation. Before joining the electric utility industry in 1998, John spent 10 years working for Cargill, Inc., of Minneapolis where he held various positions in the agribusiness industry. John earned a bachelor of science degree in economics from Iowa State University.
