GREG PILS

Wisconsin Department of Natural Resources

Greg Pils is director of the Wisconsin Department of Natural Resources' (DNR) bureau of environmental analysis and sustainability. He leads a diverse and talented team of environmental science professionals, policy specialists, and program coordinators and oversees some of the department's most high profile and complex programs, including the department's Office of Energy. He is a member of the DNR's Small

Business Environmental Council and is chair of the board of directors of the Wisconsin State Laboratory of Hygiene. A longtime DNR employee, Greg holds a B.S. in chemistry from the University of Wisconsin-Madison.
